Latest Developments

1. **STS Oral Bible Schools in Africa, First Graduation** Gifts of donors (God’s bounty!) supplied 12 graduates AND all 120 students with solar-powered audio-players. These students now possess the complete “Picture Bible.” Each page has original drawing depicting one of 296 Bible stories they learn—a book for those who cannot read!

2. **PAT now available on solar players and CDs** in Nepali, English, Kannada, Swahili and French.

3. **Swahili Story Examples** Now available for download from site.

4. **New Evening OBS** The evening classes are a unique adaptation of OBS for people in the work place. The students meet from 5 PM to 8 PM, 5 days a week. Each evening, they learn one story, each week an additional story is taught. So far, the students in the classes now in session are learning five new stories each week!
