Schedule Options

One-Stop Workshop Schedule The schedule covers the 37 hours needed to teach people how to be an STS F

For these workshops, out-of-area instructors, sometimes even out-of-country instructors, come together

Then, in the remaining 19 hours, a Practitioner Training is done for people who are new to STS. They are

Local Workshops: Our goal and prayer is to have enough local instructors available all over the world

For Local Workshops, most attendees will not have to travel far or stay overnight so there is little or no cost

Contact the regional leader [for details](#) or [USA office](#) for full details. **One-Stop Practitioner Training** is a 37-hour workshop

Vision Casting: Also in these "staffed" locations, STS vision castings can be done. Vision casting

Alumni Advanced Workshop for those who attend an STS workshop decide later that they want more coaching

Instructor Advanced Training for those who have had workshop training, want to move toward becoming a certified instructor
