**What It Takes to Learn How
to Train Others in *Simply the Story***

Watching a skilled athlete *Simply the Story* beauty. (STS) skills, makes the story telling look easy; But not

If only the telling of a story was involved, not much training and practice would be needed. Yes, the success

- How to find deep truths in the story and prepare questions.
- How to skillfully lead discussions.
- How to help people discover the spiritual treasures in a story and make personal applications.

Use of these skills in the delivery of God's Word leads many listeners to Jesus and ground them deeply

In the academic world, we accept the fact that students spend one to four years in Bible school to learn

Considering the demonstrable success of STS in evangelism, church planting and discipleship, we would
