Thank you for your e-mail. I appreciate so much that you had the first STS seminar ever in Japan at our

This week Pastor Ueda of this church used STS way of delivering message at the service.

I am always using STS way.

Even though it's still a little hard to do at the services, but every time when I give message from Bible, I do

There usually is a small hesitation about changing at this age, but I don't want to stick to old ways, so I do

People are hoping that you will have another seminar like this one again in Japan. Thank you very much
